

# Specification

## Technical Data Sheet

<b>Product Name</b>	Catalase 3,000, lyophilized powder
---------------------	------------------------------------

<b>Product No</b>	90034723
-------------------	----------

<b>CAS Number</b>	9001-05-2
-------------------	-----------

<b>Storage Temperature</b>	-15 to -20 °C
----------------------------	---------------

<b>Molecular Weight</b>	166.2
-------------------------	-------

### Specification

<b>Appearance</b>	Lyophilized powder
-------------------	--------------------

<b>Protein</b>	≥3000(units/mg)
----------------	-----------------
