

Specification

Technical Data Sheet

Product Name	Dibutylammonium phosphate
---------------------	---------------------------

Product No	90036086
-------------------	----------

CAS Number	38491-08-6
-------------------	------------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	227.24
-------------------------	--------

Specification

Appearance	White powder
-------------------	--------------

Assay/Purity	≥98.0%
---------------------	--------

NMR Spectrum (1H)	Conforms to structure
--------------------------	-----------------------
