**PRODUCT****alpha-Terpinene >94%**

|                          |              |
|--------------------------|--------------|
| <b>Product number</b>    | 90036138     |
| <b>CAS number</b>        | 99-86-5      |
| <b>Molecular formula</b> | C10H16       |
| <b>Molecular weight</b>  | 136.23 g/mol |

| PARAMETER             | SPECIFICATION         |
|-----------------------|-----------------------|
| <b>Appearance</b>     | Clear liquid          |
| <b>Identification</b> | Conforms to reference |

|                                |                                                                                                                                                                                                                   |
|--------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>SPECIFICATION STATEMENT</b> | The values stated above represent the standard specification for this product, issued under <b>Molekula Ltd</b> 's quality management system. Batch-specific results are provided on the Certificate of Analysis. |
| <b>STORAGE</b>                 | Store as indicated on the product label, away from light, moisture and incompatible materials.                                                                                                                    |

**Molekula Ltd** would like to thank you for your support of our products and service.
