**PRODUCT****Sevoflurane - USP CRS**

|                          |              |
|--------------------------|--------------|
| <b>Product number</b>    | 90036998     |
| <b>CAS number</b>        | 28523-86-6   |
| <b>Molecular formula</b> | C4H3F7O      |
| <b>Molecular weight</b>  | 200.05 g/mol |

| PARAMETER         | SPECIFICATION     |
|-------------------|-------------------|
| <b>Appearance</b> | Colourless liquid |
| <b>Standard</b>   | Conforms to USP   |

|                                |                                                                                                                                                                                                                   |
|--------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>SPECIFICATION STATEMENT</b> | The values stated above represent the standard specification for this product, issued under <b>Molekula Ltd</b> 's quality management system. Batch-specific results are provided on the Certificate of Analysis. |
| <b>STORAGE</b>                 | Store as indicated on the product label, away from light, moisture and incompatible materials.                                                                                                                    |

**Molekula Ltd** would like to thank you for your support of our products and service.
