

Specification

Technical Data Sheet

Product Name	5-Nitrosoquinolin-8-ol
---------------------	------------------------

Product No	90037427
-------------------	----------

CAS Number	3565-26-2
-------------------	-----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	174.16
-------------------------	--------

Specification

Appearance	Yellow - Green powder
-------------------	-----------------------

Identification	Conforms to reference
-----------------------	-----------------------

Purity (HPLC)	≥ 99.09 %
----------------------	-----------
