## PRODUCT

### Trichlorfon USP CRS

|                   |                                                                |
|-------------------|----------------------------------------------------------------|
| Product number    | 90037623                                                       |
| CAS number        | 52-68-6                                                        |
| Molecular formula | C <sub>4</sub> H <sub>8</sub> Cl <sub>3</sub> O <sub>4</sub> P |
| Molecular weight  | 257.4367 g/mol                                                 |

| PARAMETER  | SPECIFICATION              |
|------------|----------------------------|
| Appearance | White to pale yellow solid |
| Conclusion | Conforms to USP            |

|                         |                                                                                                                                                                                                                  |
|-------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| SPECIFICATION STATEMENT | The values stated above represent the standard specification for this product, issued under <b>Molekula Ltd's</b> quality management system. Batch-specific results are provided on the Certificate of Analysis. |
| STORAGE                 | Store as indicated on the product label, away from light, moisture and incompatible materials.                                                                                                                   |

Molekula Ltd would like to thank you for your support of our products and service.
