**PRODUCT****1-Butaneboronic acid**

|                          |                                                |
|--------------------------|------------------------------------------------|
| <b>Product number</b>    | 90037776                                       |
| <b>CAS number</b>        | 4426-47-5                                      |
| <b>Molecular formula</b> | C <sub>4</sub> H <sub>11</sub> BO <sub>2</sub> |
| <b>Molecular weight</b>  | 101.94 g/mol                                   |

| PARAMETER             | SPECIFICATION         |
|-----------------------|-----------------------|
| <b>Appearance</b>     | White/Off-white solid |
| <b>Identification</b> | Conforms to reference |
| <b>Purity (GC)</b>    | ≥98.0%                |

|                                |                                                                                                                                                                                                                   |
|--------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>SPECIFICATION STATEMENT</b> | The values stated above represent the standard specification for this product, issued under <b>Molekula Ltd</b> 's quality management system. Batch-specific results are provided on the Certificate of Analysis. |
| <b>STORAGE</b>                 | Store as indicated on the product label, away from light, moisture and incompatible materials.                                                                                                                    |

Molekula Ltd would like to thank you for your support of our products and service.
